Price Adjustment Notice: Pursuant to the NASD Guidance Notes for Price Discovery and Adjustment, NASD has adjusted the reference price of Great Nigeria Insurance Plc from ₦0.52 to ₦2.60 following the admission of the Company's Private Placement shares. The adjustment was effected based on the pricing of the underlying transaction and supporting documentation submitted by the Issuer, including the Information Memorandum, Basis of Pricing, Allotment Report, and applicable regulatory approvals. This adjustment is intended to ensure that the quoted market price appropriately reflects the Company's revised capital structure and the most recent price discovery event.

Please be guided accordingly.

Thank you.
